

Job Title: Field Technician

Employer: South Salt Lake Valley Mosquito Abatement District

Opening Date: January 20, 2025

Closing Date: Until Filled

Openings: We are looking to fill approximately 20 seasonal vector control technician positions in 2025

Starting wages: \$15.00+

Hours: 7:00 am – 3:30 pm (+/- 30 minutes based on job assignment), Monday –Friday

Term: **Start dates:** Start dates are flexible. Preferred start dates are April 7, April 21, May 5, or June 9

End date: not later than September 26th 2025, preferably not earlier than August 15th 2025

Job Scope

South Salt Lake Valley Mosquito Abatement District is the first line of defense against mosquitoes and the diseases they carry. As a field technician, you'll be assigned to one of our teams to help us fulfill this mission. We are looking for active, enthusiastic individuals who do not want to be stuck behind a desk, love the outdoors, want to make a real and lasting difference in people's lives, and excitement in their employment. With full-time hours, competitive pay structure, excellent daily work schedule, and weekends, evenings, and holidays off, we know you'll love it here!

Examples of Duties

- Conduct outdoor field work inspecting and treating potential mosquito production sites with pesticide either from a bicycle or using handheld or backpack mounted equipment.
- Deploy and retrieve mosquito surveillance traps
- Provide information about mosquitoes and mosquito control and avoidance, and mosquito borne diseases to members of the public
- Office and laboratory functions

Qualifications

- Valid driver's license
- At least 18-years-old (17 if applying for Catch Basin Crew)
- Lift and carry 50 pounds (especially applicable to mosquito crew)
- Able to communicate in English
- Learn to identify mosquito or black fly larvae and pupae
- Must be available for work from 7:00 am to 3:30 pm Monday through Friday

- Obtain a Utah non-commercial pesticide applicator license within 2 weeks of employment
(District will provide study materials and paid study hours)

Apply online [HERE](#), or send questions or applications (available at sslvmad.utah.gov) to Dan McBride a dmcbride@sslvmad.utah.gov , or 7308 Airport Road, West Jordan, UT 84084.

South Salt Lake Valley Mosquito Abatement District is an equal opportunity employer.
